

GLOW UP

FROM SPRING TO SUMMER

Hi my friend,

Welcome back to Coe College

I wonder where did you hide yourself so long?

and they are still standing there, waiting for you...

I am waiting for you,

The racoon is waiting for you.

The student is waiting for you.

Trees are looking for your steps.

I miss your breath.

And I miss your sound.

I am preparing those for your returns.

Can you see any differences from last time?

Just tell me by a kiss,

We abuse land because we regard it as a commodity belonging to us. When we see land as a community to which we belong, we may begin to use it with love and respect. Hug me closely,

This place is yours now.

Take care of our souls...

Glow up

and see you next year.
